

Don't allow external circumstances to control you

Don't allow fear and worry to enter in

Don't allow your relationship with the Lord to be compromised

Don't move out of God's will

Don't allow your relationship with the Lord to become stagnant

Pastor Greg Babish

Happy Independence Day

America's roots are deeply planted in the spiritual legacy of those pilgrims and early forefathers who established this nation "under God".

They were, almost to a man, professing Christians who came to America in search of freedom.

Christians wrote the Constitution.

The idea that America would not be directed by the **Word of God** was not conceivable to those men.

They did not even feel it was necessary to mention the word **Christian** in the Constitution.

How do we LIVE in the Lord's peace in challenging times?
Peace I leave with you; my peace I give you. Jn. 14:27
