Message by Pastor Greg Babish

We begin our next focus:

The Power Of Grace Pt.1

2 Cor 9:8 | Eph 2:8 | Heb 4:16

Grace (very important)

We often say that God's GRACE is His Unmerited Favor

But it goes far beyond this simple statement.

It means Living in His Grace

LIVING IN GRACE means:

- The awareness of the Lord is with us
- Understanding that we have access to God.
- The forgiveness of sin and freedom from condemnation.
- No longer being bound to Works for His favor (earning approval).
- No longer neutralized by our failures.
- Defeats the tactics of the enemy.
- Releases the power of the Lord through us.

"We Are to Live in His Grace "

Unmerited "Favor"

His Grace HAS BEEN released for you and your ministry

Very Important...

Understanding Grace is a key to receiving the Lord's provision and living in His overcoming life.

Understanding Grace will enable you to see who you are and live victoriously in your ministry and destiny

The purpose of receiving God's Grace is releasing God's Grace (good work- ministry).

We are to become agents through which God's Grace is released
Acts 1:8

When God's Grace is released the Kingdom of God is established.

The Lord's gift to us is His Grace!

Luke 2:40 | John 1:16 | John 1:17 | Acts 15:11 | Rom 5:15

God's Grace is expressed through:

Acts 14:3

- Healing
- God's favor
- Provision
- Miracles
- Freedom

6 Word conclusion...

Grace to you...

Grace through you
